ABOUT US

- Real estate refers to land and any permanent structures on it, such as houses, buildings, or other improvements. It plays a vital role in the global economy and in everyday life, as it involves where we live, work, and invest.

KEY ELEMENTS OF REAL ESTATE

Sure! Could you clarify what specifically you'd like to know about real estate? Here are a few common topics I can help with:

Land

The earth's surface and everything attached to it (natural resources like trees, water, minerals).

Real Property

Includes the land plus any structures or improvements (houses, buildings, fences, etc.).

Real Estate Industry

Covers the business of buying, selling, renting, or managing land and buildings.

TYPES OF REAL ESTATE

➤ Residential ➤
